Liderado por Ricardo Taborda (Subsección Córdoba y Vicepresidente IEEE AR) se planificó un **Programa de Disertantes Locales**, al estilo de los programas de *Distinguished Lecturers* de las Sociedades IEEE, y que se espera poner en marcha durante 2010. Ya se cuenta con un buen número de disertantes inscriptos.

•Subsección Córdoba

La **Subsección Córdoba** organizó **cuatro Talleres TISP** (Teacher In Service), el programa impulsado por el Educational Activities Board del IEEE para estimular el interés por la ingeniería y las ciencias en estudiantes primarios y secundarios. Tres de ellos convocaron a alumnos de primaria y el cuarto se realizó con asistentes a la Reunión Nacional de Ramas (realizada en Córdoba), para interiorizarlos sobre las características del Programa. Estos talleres fueron conducidos por Pablo Recabarren, Augusto Herrera y Bernardo Flood.

La Subsección también coorganizó con las Ramas Estudiantiles de la ciudad de Córdoba la **RNR 2009 Reunión Nacional de Ramas Estudiantiles**.

•Capítulos

Los Capítulos realizaron numerosas actividades en **diversos lugares del país** y aprovecharon los programas de **Conferencistas Distinguidos** de sus Sociedades. También realizaron **actividades en cooperación** con otras entidades locales y apoyaron actividades organizadas por ellas difundiendo a nuestra membresía. Hubo actividades conjuntas con ITBA Instituto Tecnológico de Buenos Aires, UBA Univ. de Buenos Aires, UP Univ. de Palermo, UNRC Univ. Nac. de Río Cuarto, entre otros. Algunas de estas actividades coorganizadas, con numerosa convocatoria, fueron la Jornada de Data Mining (Computer), EAMTA y CAMTA (CAS), SABI 2009 (EMBS).

Algunos ejemplos de la actividad de los Capítulos:

- El **Capítulo EMBS** trabaja activamente en la organización de la **EMBC 2010, 32nd Annual International Conference of the IEEE Engineering in Medicine and Biology Society**, que se realizará en Buenos Aires en 2010. El Vicepresidente del Capítulo es el *Chairman Local Activities* en el Comité Organizador. <<http://embc2010.embs.org>>
- **Inicio de la 4ª. Edición del Torneo Regional de Inteligencia Computacional, TRIC-IV.** Se inició el Llamado a Presentación de Trabajos para la Cuarta Edición del Torneo Regional de Inteligencia Computacional. Esta edición culminará en noviembre de 2010 con la ceremonia de defensa de los trabajos preseleccionados por el Jurado y entrega de premios.

El TRIC es organizado por el **Capítulo Argentino de la IEEE CIS Computational Intelligence Society**, cuenta con el auspicio de la Sección Argentina del IEEE y pretende estimular las actividades técnicas en el área temática del Capítulo. En este caso, convocando a estudiantes, jóvenes graduados y otros interesados y estimulando la interacción entre los diversos grupos de trabajo en el área.

Más información sobre el TRIC: < <http://www3.fi.mdp.edu.ar/cis> >

- **Ciclo de Conferencias 2009 UP-CIS.** La Facultad de Ingeniería de la Universidad de Palermo (UP) y el Capítulo **CIS** organizaron un nuevo ciclo de conferencias sobre técnicas específicas de Computational Intelligence Software, basadas en las experiencias de UP y de otros investigadores.
- La **IEEE CIS Computational Intelligence Society** otorgó al Capítulo Argentino el '**Outstanding Chapter Award**'.

Los Capítulos se mantienen contacto con sus respectivas Sociedades y diversos miembros locales ocupan posiciones en los '*Boards*' y otros órganos de gobierno. Algunos de ellos son Valentino Trainotti (BTS), Roxana Saint-Nom (SPS) y María Inés Valla (IES).

Cabe destacar que en las **Comisiones Directivas** de los Capítulos ya es habitual contar con miembros residentes en diversas ciudades del país, y que interactúan satisfactoriamente a través de las comunicaciones electrónicas para la gestión de los respectivos Capítulos, contribuyendo a ampliar el ámbito geográfico de actividades.

A partir de **visitas** de directivos y conferencistas de diversas Sociedades IEEE interesadas en difundir sus actividades y establecer **nuevos Capítulos**, la Sección organizó conferencias técnicas e informativas al efecto y designó '**organizadores**' con el propósito de establecer **Capítulos locales** de las Sociedades **EDS** Electron Devices, **AESS** Aerospace and Electronic Systems, **OES** Oceanic Engineering, **PS** Photonic (ex LEOS Laser and Electro Optics), **MTTS** Microwave Theory and Techniques y **PSE** Product Safety Engineering.

Por su parte, **Ricardo Taborda**, Vicepresidente IEEE AR y también miembro EMBS fue invitado por la Sección Perú para dictar una conferencia de su especialidad y colaborar en el establecimiento de un **Capítulo EMBS en Perú**.

•Grupos de Afinidad

Los dos Grupos de Afinidad de la Sección, **GOLD** y **Life Members** (LMAG) desarrollaron actividades.

•Ramas Estudiantiles

El Coordinador de Actividades Estudiantiles de la Sección (AR-SAC), Marcelo Moreyra, mantuvo una fluida comunicación con y entre las Ramas Estudiantiles, apoyó a sus actividades, y participó en la organización de la Reunión Nacional de Ramas, en iniciativas de reactivación y establecimiento de Ramas y en la difusión del IEEE en el ámbito universitario.

La **RNR Reunión Nacional de Ramas 2009 (RNR)** se realizó en **Córdoba**, coorganizada por la Subsección Córdoba y sus Ramas locales. Contó con numerosa concurrencia de diversas Ramas argentinas, así como de Paraguay, y con un variado e intenso programa de actividades. Entre ellas, un Taller TISP y conferencias de desarrollo profesional. La Sección participó con la presencia de su Presidente, Guillermo C. Kalocai, de Ricardo Veiga como Disertante Invitado y de Marcelo Moreyra (AR-SAC).

Durante el mes de noviembre se desarrolló el **IEEE Road Show 2009**, una serie de visitas a universidades con el objetivo de abrir nuevas Ramas estudiantiles, reactivar Ramas ya formadas pero inactivas y difundir en el ámbito universitario las actividades de IEEE.

El **Programa Road Show** fue preparado por la Rama estudiantil de la Universidad Federal de Bahía, Brasil, y ésta es la primera vez que un evento de este tipo se realiza en la Sección Argentina. Sus ejecutores fueron Marcelo L. Moreyra (AR-SAC), Federico Di Vruno (Presidente de la Rama Estudiantil UTN-FRBA) y Augusto J. Herrera (AR-SAC 2007/08). Se visitaron 5 Universidades en diversos puntos de país, 3 con fines de reactivación y 2 con el objetivo de abrir Ramas Estudiantiles.

La Sección brindó apoyo económico parcial, acorde con sus posibilidades, para la RNR y para la asistencia de representantes de Argentina a las **Reuniones Regionales de Ramas y GOLD 2009** (Guayaquil, Ecuador).

Se reconoce y agradece la colaboración brindada por la **Rama UTN-FRBA** en las reuniones mensuales de la Sección, especialmente en lo que hace a la gestión de las teleconferencias.

No se detallan en esta Memoria las actividades realizadas por cada una de las Ramas, que son descriptas en los respectivos Informes que se envían al MGAB.

Servicios a los Socios

•Noticiero Electrónico, e-notices y Sitio Web

Siguen operando normalmente los **servicios electrónicos**: sitio web <<http://www.ieee.org.ar>>, noticiero electrónico y e-notices.

Por estos medios se difundieron noticias sobre las actividades y la actualidad IEEE, ofertas de trabajo (complementando la disponibilidad del 'Job Site' Regional), descuentos para socios IEEE en actividades técnicas y educativas de terceros y otras informaciones de interés profesional y académico (becas, subsidios, concursos, etc.).

Se publicaron **25 'Noticias'** en el Sitio Web y se enviaron **19 ediciones del Noticiero** a una lista de distribución con 5.000+ receptores (socios IEEE y no socios) así como **25 'e-notices'** a socios IEEE (en algunos casos con información anticipada o sólo para socios, como ser las búsquedas laborales).

En el sitio web hay disponible una página con **Documentación Técnica** de actividades realizadas.

Los servicios técnicos de '[iee.org.ar](http://www.ieee.org.ar)' están contratados con un proveedor comercial y la generación de contenidos a cargo de la Sección.

En adición al Dominio Internet '[iee.org.ar](http://www.ieee.org.ar)' se dispone también del '[iee.com.ar](http://www.ieee.com.ar)' (solicitado para impedir su posible uso por parte de terceros ajenos al IEEE). La renovación de estos dominios se realiza periódicamente ante la autoridad argentina (NIC AR).

En cumplimiento de las disposiciones vigentes, se registraron nuestras bases de datos en el Registro Nacional del Ministerio de Justicia.

• Beneficios varios para socios

• Acceso gratuito a los Cursos Web de SUN Microsystems

Continúa vigente el acuerdo celebrado entre Sun Microsystems (Argentina) y el Capítulo Argentino de la IEEE Computer Society por el cual los Socios de IEEE Argentina tienen acceso gratuito a los cursos web del Centro de Enseñanza de Sun Microsystems. Estos cursos son de variada temática y de diversos grados de complejidad.

• Descuento en aranceles para Curso de Especialización en UCA

A través del Capítulo Argentino de la IEEE Computer Society también se obtuvo una beca (descuento en aranceles) para socios de IEEE AR en el Curso de Especialización en Ingeniería de Software, de un año de duración, que se dicta en la UCA Univ. Católica Argentina (Buenos Aires).

•Atención a Socios y Público en General

Durante el año, a través de nuestra Sede Administrativa en Buenos Aires, se respondieron personalmente, por vía telefónica o por e-mail numerosas consultas de socios y no socios sobre variados temas relacionados con el IEEE (membresía, publicaciones, estándares, consultas técnicas, etc.).

También se recibieron pagos por membresía, que luego se giraron a las oficinas centrales del IEEE.

Gestión y políticas

En 2009 se concretó un objetivo de larga data en la política de **federalización de la Sección**, con la constitución de una Comisión Directiva de la Sección con **miembros no residentes en el área metropolitana de Buenos Aires**. En este

caso fueron designados como Presidente Guillermo C. Kalocai, residente en Bahía Blanca y como Vicepresidente Ricardo Taborda, residente en Córdoba.

Ya se mencionó que, en los Capítulos también hay '*officers*' residentes en diversas ciudades del país.

La Sección continuó impulsando también la expansión geográfica de las actividades y el trabajo integrado con la Subsección, Capítulos, Grupos de Afinidad y Ramas.

En la medida de sus posibilidades económicas, la Sección apoyó la realización de actividades fuera de Buenos Aires y la concurrencia de *officers* y voluntarios a las Reuniones realizadas en Buenos Aires y otros puntos del país (RNR, reuniones mensuales de Gestión),

La Sección cumple en tiempo y forma con las exigencias de Piscataway y de la Región en cuanto a reportes y requerimientos varios. Usualmente se percibe el *bonus* por cumplimiento en término del envío de los informes requeridos por el MGAB.

Relaciones Institucionales y Convenios de Cooperación

La Sección Argentina tiene **Convenios de Cooperación** con diversas entidades locales, a fin de sumar esfuerzos en el desarrollo de actividades técnicas y profesionales, para beneficio de sus respectivas membresías y la comunidad en general.

El acuerdo iniciado en 1997 con **CICOMRA**, la Cámara de Informática y Comunicaciones de la República Argentina, es de particular relevancia. Por él la Sección provee a CICOMRA asistencia en aspectos educativos y de capacitación y CICOMRA, por su parte, facilita personal y el uso de sus instalaciones para el funcionamiento de la Sede Administrativa de la Sección en Buenos Aires.

< <http://www.cicomra.org.ar> >

En el caso de las **Universidades**, estos Convenios perfeccionan la presencia institucional de las Ramas en sus respectivas Universidades, estimándose que facilitarán su interacción e integración con los diversos estamentos y entidades en la Universidad y contribuirán a mantener esta relación a lo largo del tiempo.

Además de CICOMRA, otras entidades con las que hay **Convenios** son:

- AADECA Asociación Argentina del Control Automático
- CIEC Colegio de Ingenieros Especialistas de Córdoba
- COPITEC Consejo Profesional de Ingeniería en Telecomunicaciones, Electrónica y Computación
- FF Fundación Favaloro
- Asociación Civil Ciencia Hoy
- SADIO Sociedad Argentina de Informática e Investigación Operativa
- SABI Sociedad Argentina de Bioingeniería
- UNS Universidad Nacional del Sur (Bahía Blanca)
- UNSJ Universidad Nacional de San Juan
- UNSL Universidad Nacional de San Luis
- UAI Universidad Abierta Interamericana (Buenos Aires)
- UCA Universidad Católica Argentina (Buenos Aires)
- Escuelas ORT Argentina (Buenos Aires)
- Universidad de Belgrano (Buenos Aires, 2009)
