## 1. The Year in Brief

On April 16<sup>th</sup> 2015 we had the happiness to celebrate the 100<sup>th</sup> birthday of **Oscar Carlos Fernández ('El Inge')**, one of our 'founding fathers' and lifelong IEEE volunteer. Unfortunately, a few months later we should mourn the death of Oscar on July 11<sup>th</sup>, 2015. On June 19<sup>th</sup> 2015, we also lost **Raimundo D'Aquila**, past Chair and long time volunteer. They will be in our memories forever.

Along the year we did our usual variety of technical and other activities in the Argentina Section. We kept working towards **IEEE ARGENCON 2016**, the third edition of our biennial technical conference. It will be co-located with the third **IEEE OES South America International Symposium**. Calls for papers are open for both events.

<http://www.argencon.org.ar>

We also had the third edition of **WESCIS**, the workshop on education and computational intelligence. This year it was co-located with **RNR 2015**, our yearly National Student Branches Meeting.

Plus many more activities described in **100+ MGA L31 reports**, with **65+** being of 'technical' and 'professional' categories.

<https://meetings.vtools.ieee.org>

**Ten members** were promoted to **IEEE Senior Members**.

We established a **new student branch** (UNSL – Villa Mercedes) and a **new Society Chapter** (GRSS).

Work continued to comply with Argentinean **legal requirements** for the operation of our national institution, Instituto de Ingenieros en Electricidad y Electrónica, and we signed a **Cooperation Agreement** with IEEE Latinoamérica, to comply with IEEE MGA requirements for Sections outside the USA.

Details of the work conducted in 2015 are presented in the following items.

## 2. Argentina Section Officers 2015

Chair:	Marcelo Doallo
Vice Chair:	Gustavo Juárez
Secretary:	Marisabel Rodríguez Bilardo
Treasurer:	Juan A Codagnone

The complete list of 2015 officers is available at

[http://www.ieee.org.ar/IEEE\\_Noticias\\_y\\_Actividades\\_Detalles.asp?IDNoticia=761](http://www.ieee.org.ar/IEEE_Noticias_y_Actividades_Detalles.asp?IDNoticia=761)

## 3. Institutional Aspects

We continued to streamline the compliance with Argentinean mandatory regulations for our local non-profit organization 'Instituto de Ingenieros en Electricidad y Electrónica' and also with current MGA requirements for Sections worldwide.

After long work with MGA staff to analyze pros and cons of many alternatives, a Cooperation Agreement was signed with IEEE Latin América.

The Universidad Tecnológica Nacional, Facultad Regional Buenos Aires UTN.BA and the Instituto Tecnológico de Buenos Aires (ITBA), are providing us with facilities for our meetings and activities,

so we express our appreciation to them and also to other institutions like University of Buenos Aires (UBA) and Universidad Abierta Interamericana (UAI) where activities were held.

The current **Organizational Units of the Section** are the following:

- Córdoba Subsection
- 18 Chapters of 25 Technical Societies: AES10, BT02, C16, CAS04, CIS11, COM19, E25, EMB18, GRS29, MTT17, OE22, PE31, SIT30, SP01, TM14, IE13/ CS23/ RA24/ IA34/ PEL35/ VT06 (Joint Chapter #1), AP03/ EMC27 (Joint Chapter #2), ED15/ SSC37 (Joint Chapter #3).

- 3 Affinity Group Chapters: LMAG Life Members, WIE Women In Engineering, YP Young Professionals

- 31 Student Branches established, although not all are active

The list is available at [http://www.ieee.org.ar/ieee\\_argentina.asp](http://www.ieee.org.ar/ieee_argentina.asp) (Acerca de IEEE, En Argentina, Integrantes)

- SIGHT Chapter (Special Interest Group in Humanitarian Technology)

### 3.1 Chapters and Student Branches

An Argentinean Chapter of the **GRSS Geoscience and Remote Sensing Society** was established in 2015, being its organizer Carlos Scavuzzo.

A new **Student Branch** was established at **Universidad Nacional de San Luis**, Facultad de Ingeniería y Ciencias Agropecuarias (FICA), Villa Mercedes Campus. Its Chair is Adrián Aguirre and Federico Serra is the Counselor.

The annual **RNR** (national meeting of student branches) was successfully held in Tucumán, organized by the Universidad Nacional de Tucumán (UNT) Student Branch, with support from the Section. The Meeting was co-located with the third edition of **WESCIS**, the workshop on education and computational intelligence.

As said before, only about one third of all established Branches are active, and some have scarce or no membership. The Coordinator of Student Activities and the Student Representative are working to reverse this situation.

### 3.2 Membership

### 3.2.1 New Senior Members

**Ten (10) members were promoted to the Senior category (SM or LS)**, nine of them with the help of the Section for nominations and references. They are Daniel Cantale, Alberto Dams, Pablo De La Barrera, Juan Ignacio Giribet, Ignacio Más, Marcelo Romeo, Mario Tornabene, Jorge Carlos Vaschetti, Silvano Zanutto and Osvaldo Perez.

A '**Call for Candidates**' and a '**Senior Member Nomination Day**' were organized as part of the IEEE Day program. Besides the already promoted members, 4 more candidates were pending of review at the first 2016 A&A Panel and others are working on their nominations, to be presented along 2016. Ignacio Castillo help us for Senior Member Nomination Day.

### 3.2.2 Awards and Recognitions

On April 22<sup>nd</sup>, 2015 we met at FIUBA (Facultad de Ingeniería de la Universidad de Buenos Aires) to celebrate the 100<sup>th</sup> birthday of **Oscar Carlos Fernández ('El Inge')**. Colleagues, friends and relatives shared memories with him. He was presented with a 'digital photo frame' loaded with pictures and videos contributed by his acquaintances and coming from all over the IEEE world. A cocktail closed the joyful meeting.

[http://www.ieee.org.ar/IEEE\\_Noticias\\_y\\_Actividades\\_Detalles.asp?IDNoticia=782](http://www.ieee.org.ar/IEEE_Noticias_y_Actividades_Detalles.asp?IDNoticia=782)

On October 7<sup>th</sup>, 2015 we met again at FIUBA to celebrate the **IEEE Day**, the 76<sup>th</sup> anniversary of the Argentina Section and other significant technical anniversaries.

As part of the meeting we evoked the memory of our deceased members, being the recent ones Oscar Fernández (July 11<sup>th</sup>, 2015) and Raimundo D'Aquila (June 19<sup>th</sup> 2015).

## 3.3 Management and Policies

**Monthly meetings** of officers were conducted between March and December, alternating venues and times among UTN.BA and ITBA, plus virtual access through Skype or WebEx to facilitate attendance. There were also virtual weekly meetings.

**MGA 2014 reports** were presented in due time, so that the corresponding rebate plus the bonus for early submission were received.

The **election of 2016 officers** was made using vTools/Voting by the end of 2015, with a turnout of about 19% (130 ballots out of 668 voting members).

The **technical activities** were held in various cities in Argentina, keeping on with our long-standing policy of seeking to distribute Section activities throughout the country and encouraging the participation of members residing outside Buenos Aires city as volunteers and officers.

Efforts were made to involve the **Student Branches** in the organization of activities, working with the Chapters and the Subsection.

Remarkable work was done by the **Universidad Nacional de Tucumán (UNT) Student Branch** to organize the **2015 RNR**, Argentinean National Students Meeting, along with **WESCIS**, the annual workshop on education and computational intelligence.

The **Instituto Tecnológico de Buenos Aires (ITBA) Student Branch** took part for another year in the **IEEEExtreme Student Contest**, a global 24-hour programming challenge for student members of the IEEE.

<http://theinstitute.ieee.org/ieee-roundup/opinions/ieee-roundup/the-ieeeextreme-programming-competition-sees-its-best-year-yet>

[http://www.ieee.org/membership\\_services/membership/students/competitions/xtreme/index.html](http://www.ieee.org/membership_services/membership/students/competitions/xtreme/index.html)

A number of **activities** were organized jointly or in collaboration with other academic and professional organizations.

We also sponsored and publicized **third party activities** considered of interest to our members, including activities of the Cono Sur Council and the Region 9.

### 3.4 Institutional Relations and Cooperation Agreements

There are Cooperation Agreements signed with a number of professional and academic institutions. They are listed under the item ' **Relaciones Institucionales y Convenios de Cooperación**' in our website.

[http://www.ieee.org.ar/ieee\\_argentina.asp](http://www.ieee.org.ar/ieee_argentina.asp)

### 3.5 Participation in IEEE Regional and Global Activities

**Marcelo Doallo**, Section Chair 2015, attended the **Regional Meeting 2015** held in Monterrey, México, 11<sup>th</sup> through 14<sup>th</sup> March, 2015.

**Marisabel Rodríguez and Agustín Martina** attended the co-located **WIE and UP meetings**, with partial financing and administrative support provided by the Section.

**Carlos Daniel Medina Villena, ITBA SB Chair and Marcelo Agüero, Argentinean SIGHT Chapter Coordinator** attended the **RRR015, Regional Student Branches Meeting**, held October 1<sup>st</sup> – 4<sup>th</sup>, 2015, in Antigua Guatemala, Guatemala, also with partial financing and administrative support provided by the Section.

**Valentín Trainotti** was Keynote Speaker at **CHILECON 2015** (October 28<sup>th</sup>, 2015, Santiago de Chile, Chile), with support from the BTS Distinguished Lecturers Program and administrative support from the Argentina Section.

[http://www.ucentral.cl/chilecon2015/documentos/programa\\_chilecon.pdf](http://www.ucentral.cl/chilecon2015/documentos/programa_chilecon.pdf)

**Gustavo Juárez** was invited to **BETCON 2015**, Bolivian Engineering and Technology Congress [http://www.editores-srl.com.ar/sites/default/files/ie304\\_urriza\\_congreso\\_ingenieria\\_bolivia.pdf](http://www.editores-srl.com.ar/sites/default/files/ie304_urriza_congreso_ingenieria_bolivia.pdf)

Through our **IEEE AR Noticiero** (Electronic Newsletter), web page and social media sites we publicized many activities organized by IEEE in the region 9 and the world, particularly those of the Cono Sur Council (Argentina, Chile, Paraguay, Uruguay).

We sent contributions to the **Region 9 NoticieEEero**.

## 4. Activities of the Section, Córdoba Subsection, Societies and Affinity Groups Chapters

### 4.1 Summary of 2015 Activities – MGA L31 Reports

The table presented in the following page summarizes the activities carried out during 2015 by the Organizational Units of the Argentina Section.

**Categories:****Tec** - Technical; **Prof** - Professional; **Non Tec** – Non Technical; **Adm** - Administrative*n/a: Not Applicable / Not available**Data as of Feb 18, 2016*

<b>Summary of 2015 Activities – IEEE Argentina</b>		<b>* L31*</b>	<b>* L31*</b>	<b>* L31 *</b>	<b>* L31 *</b>	<b>* L31 *</b>
<b>Organizational Unit</b>		<b>Total</b>	<b>Tec</b>	<b>Prof</b>	<b>Non Tec</b>	<b>Adm</b>

<b>TOTAL &gt;&gt;&gt;</b>		<b>109</b>	<b>61</b>	<b>10</b>	<b>9</b>	<b>29</b>

The activities were held in various cities in Argentina, keeping with our long-standing policy of seeking to **distribute Section activities throughout the country**, encouraging the participation of members residing outside Buenos Aires city as volunteers and officers.

A number of activities were **organized jointly or collaborating** with other academic and professional organizations, such as:

- Universidad Tecnológica Nacional, Facultad Regional Buenos Aires (UTN-FRBA)
- Universidad Tecnológica Nacional, Facultad Regional Córdoba (UTN-FRC)
- Universidad Tecnológica Nacional, Facultad Regional Mendoza (UTN-FRM)
- Universidad Tecnológica Nacional, Facultad Regional Tucumán (UTN-FRT)
- Instituto Tecnológico de Buenos Aires (ITBA)
- Facultad de Ciencias Exactas de la Universidad Nacional de Córdoba (UNC)
- Facultades de Ingeniería y de Ciencias Exactas de la Universidad de Buenos Aires (UBA)
- Universidad Nacional de Tucumán (UNT)
- Universidad Nacional de Río Cuarto (UNRC)
- Universidad Abierta Interamericana (UAI)

## 4.2 Some 2015 technical activities

Some of our 2015 technical activities are listed below.  
The full list of L31 reports appears at the end of this report.

\* IEEE ARGENCON 2016 organization and related activities

ARGENCON is the biennial technical conference organized by IEEE Argentina and its third edition will be held from 15<sup>th</sup> to 17<sup>th</sup> June 2016 in Buenos Aires city at the UTN.BA premises. It will be co-located with the third IEEE OES South America International Symposium. The calls for papers are already open for both events.

<http://www.argencon.org.ar>

\* WEsCIs 2015 – 3rd.international workshop in education and computational intelligence  
CIS, EdSoc, SSIT. San Miguel de Tucumán. October 2<sup>nd</sup> – 3<sup>rd</sup>, 2015.

\* Tenth Conference on Data Mining  
Computer, UBA. Buenos Aires. November 6<sup>th</sup>, 2015.

\* Lecture ‘Mythologies in wireless communications’ - Tapan Sarkar  
Subsection. Córdoba. February 20<sup>th</sup>, 2015.

\* Meeting of IEEE CASS President and Society officers with Argentinean professionals and IEEE volunteers.  
CASS, CADIEL, ACSE. Buenos Aires. February 27<sup>th</sup>, 2015.

\* Lecture ‘Demystifying Signal Integrity in High-Speed Designs’ – Ram Achar  
EMCS. Buenos Aires. April 4<sup>th</sup>. 2015.

\* First meeting of local bioengineering organizations SABI, CORAL, IEEE EMBS  
EMBS. Buenos Aires. May 19<sup>th</sup>. 2015.

\* Lecture ‘Engineering + Society = Humanitarian Engineering in action’ – Daniela López de Luise  
Section. PDL Program. San Rafael, Mendoza. June 6<sup>th</sup>. and 7<sup>th</sup>., 2015.

\* EAMTA / CAMTA. School and congress on micro and nanotechnology and its applications.  
CASS. Villa María, Córdoba. July 25<sup>th</sup>- 31<sup>st</sup>, 2015.

- \* Technical Meeting on the development of methodology, algorithms, and applications of fuzzy and neurofuzzy modeling and fuzzy control. Witold Pedrycz, CIS, UAI. Buenos Aires. July 31<sup>st</sup>, 2015.
- \* SASE Argentinean symposium on embedded systems CASS, FIUBA. Buenos Aires. August 12<sup>th</sup>- 14<sup>th</sup>, 2015.
- \* Lectures on SDN Software Defined Networking SDN - The 2nd Wave of Cloud Computing; Ying-Dar Lin SDN Use Cases in Industry; Jeans H. Tseng ComSoc. Buenos Aires. September 14<sup>th</sup> 2015.
- \* EIRSI 2015 Robotics and intelligent systems research meeting CC#1 IES /CSS /RAS /IAS /PELS /VTS. Neuquén. September 24<sup>th</sup>, 2015.
- \* IEEE Computer Day 2015 Buenos Aires Computer. Buenos Aires. October 8<sup>th</sup> 2015.
- \* Panel on social implications of technology at RPIC SSIT, RPIC. Córdoba. October 10<sup>th</sup> 2015
- \* Lecture 'Wearable Sensors and Technologies for Advancing Healthcare: From Myth to Reality'. Ravi Sankar EMBS, SABI. San Nicolás, Buenos Aires. October 29<sup>th</sup> 2015.
- \* Lectures on signal processing 'The Challenges of Pattern Recognition for Speech Signals'. Douglas O'Shaughnessy. '25 Years of Audio Coding: How we arrived at audio playback on iPhone and its underlying technology'. Akihiko Sugiyama SPS. Buenos Aires. October 30<sup>th</sup> 2015.
- \* Short Course 'Software Defined Radio'. Marcelo Doallo and Daniel Jacoby. SPS. Buenos Aires. November 5<sup>th</sup> and 12<sup>th</sup>, 2015.
- \* Lectures 'Radio 2015 – Practical Considerations, Future Expectations'. Paul Schulins and David Layer. BTS, CC#2 APS/EMCS. Buenos Aires. November 17<sup>h</sup>. 2015.
- \* Technical Visit to power distribution company EDELAP PES. La Plata. November 20<sup>th</sup>, 2015
- \* Short Course: 'VNA and S-Parameters Measurement'. Alejandro Henze. MTTTS, Subsection. Córdoba. December 4<sup>th</sup>, 2015.

### 4.3 Lecturers

As in previous years, in addition to local lecturers, foreign lecturers joined our activities, through the IEEE Distinguished Lecturers programs or other ways, and also through collaboration with other institutions.

Some of them, along their activities, are mentioned in the previous item.

### 4.4 Sponsorship and publicity for third party activities

Institutional sponsorship was provided to activities of various academic and professional institutions, publicizing those activities through our information channels (newsletter, web, social media).

We also publicized third party activities considered of interest to our members.

## 5. Services to Members and the General Public

We maintained regular **communication with our members** and other people interested in our activities through various channels:

- **Website** and its RSS feed, which was updated with 70 'news' items.
- **Electronic Newsletter** (IEEE AR Noticiero), with 22 issues sent to members and others in 2015, and also archived on the website (about 6,000 subscribers).
- **vTools Meetings and E-Notices**
- **Social Media**: facebook (5.190) Twitter (3.600), LinkedIn (1.660), Google+ (665)

On 2015 we also activated one **Collabratec** and one **MeetUp** groups.

Through the cooperation agreements and other mechanisms, we obtained **benefits for our members** in third party activities, such as discounts on fees and scholarships.

Through our local Section office and the available communication channels we answered, to current and prospective members, a variety of questions. We also provided support in membership and publications matters, like facilitating renewals for student branch members lacking international credit cards.

\* \* \*

## Argentina Section - L31 Reports for 2015 Activities

Set out below is the list, in chronological order, of the activities carried out during 2015 and reported through MGA Forms L31.

Co-organized activities are reported for each of the co-organizers.

The L31 Reports are available at <https://meetings.vtools.ieee.org/>
